*previous cut was by me less than
5 weeks prior

Designer Cut 60 minutes / \$65.00

Current style can be redesigned by removing up to
5" of length with precision detail finish. Additional
debulking or hot tool finish may not be available in
this time frame.

This service is best suited for maintaining or
modifying current style & for hair textures
ranging from fine - moderate in thickness.

Extended Designer Cut 75 minutes / \$80.00

Current style can be redesigned by removing up
to 7" of length with extended precision detail
finish. This time allows for additional debulking
and/or hot tool finish. This service is best suited
for changing current style, for hair types ranging
from medium-thick or for requesting specialty
finish.

Transformation Cut 90 minutes / \$100.00

Current style can be redesigned by removing 7"
or more of length or for hair that currently
reaches below bottom of the shoulder blades.
This service is best suited for complete style
change, and/or for hair known to be thick,
curly or where additional styling time is
required.
